

## Trispan Announces Sale of Investment in Woolpert

**April 6, 2021** – Trispan is pleased to announce that it has sold its investment in Woolpert through a recapitalization transaction with MSD Partners in partnership with management.

Founded in 1911, Woolpert is a leading global provider of architecture, engineering, and geospatial (AEG) services to a wide variety of public, private, and government clients. The Company has more than 1,100 dedicated employees at 42 offices and is headquartered in Dayton, Ohio.

Trispan made its investment in Woolpert in December 2017. Since then, Woolpert has tripled its profits, completed six strategic add-on acquisitions, expanded into new geographic markets, and developed new lines of service, including strategic consulting and data-as-a-service.

Woolpert President and CEO Scott Cattran, who will continue to lead the company upon completion of the transaction, said *“The vision we set for our company in 2015 was to become a premier AEG and one of the best companies in the world. Now we are focused on expanding our vision with a strategy to become a billion-dollar revenue company. The future is incredibly bright for Woolpert clients and employees”*.

Pericles Mazarakis, Managing Partner at Trispan commented, *“We are excited about the outcome of this investment and confident that Woolpert is well positioned to continue its strong growth trajectory both organically and through tuck-in acquisitions. In a little over 3 years, the company made 6 add-on acquisitions, expanded its geographic and product offerings and is currently poised to continue its dynamic growth”*.
