“While large PE firms tend to draw most of the media attention, we know that the majority of middle market M&A activity is driven by small and mid-sized firms. This year’s TOP 50 PE list is exceptional. We are proud to support these leading middle market private equity firms whose relentless pursuit of excellence leads to significant advantages for their portfolio companies and limited partners.”

– Kerry Grady, Program Founder

TriSpan was given the award due to our “unique firm strategy, deal execution, portfolio excellence, performance and other award-worthy attributes” – characteristics we aim to sustain and enhance in all future deals and relationships.
